WOMEN AND NEWBORN HEALTH SERVICE

07 July 2014

Dr Felice Watt
Director of Psychiatry, Women's Health Clinical Care Unit
King Edward Memorial Hospital for Women
374 Bagot Road
SUBIACO WA 6008

Dear Dr Watt

Project Title: Imagery Rescripting vs. Eye Movement Desensitization and Reprocoessing as Treatment of Childhood – Trauma Related PTSD in Adults

HREC Reference: 2014067EW

The ethics application for the project referenced above was reviewed by Women and Newborn Health Service Human Research Ethics Committee (HREC) at its meeting on Tuesday 01 July 2014. It has been approved and the following documents have been approved for use in this project.

Document
WA Health Ethics Application Form June 2013
WA Health Research Protocol Template for Clinical Trials March 2013
Patient Information Sheet and Consent Form

Approval of this project from Women and Newborn Health Service Human Research Ethics Committee (HREC, EC00350) is valid to **01 July 2017** and on the basis of compliance with the 'Conditions of HREC Approval for a Research Project' (attached).

The nominated participating site(s) in this project is/are:

King Edward Memorial Hospital for Women

[Note: If additional sites are recruited prior to the commencement of, or during the research project, the Coordinating Principal Investigator is required to notify the HREC. Notification of withdrawn sites should also be provided to the HREC in a timely fashion.

A copy of this ethical approval letter must be submitted by all site Principal Investigators to the Research Governance Office or equivalent body or individual at each participating institution in a timely manner to enable the institution to authorise the commencement of the project at its site/s.

Government of **Western Australia**
Department of **Health**

WOMEN AND NEWBORN HEALTH SERVICE

This letter constitutes ethical approval only. This project cannot proceed at any site until separate site authorisation has been obtained from the CE, or delegate, of the site under whose auspices the research will be conducted at that site.

The Newborn Health Service Human Research Ethics Committee is registered with the Australian Health Ethics Committee and operates according to the NHMRC National Statement on Ethical Conduct in Human Research and International Conference on Harmonisation – Good Clinical Practice.

Should you have any queries about the HREC's consideration of your project, please contact Mrs Karen Taylor-Ellis on 9340 7845 or by email on karen.p.taylor@health.wa.gov.au. The HREC's Terms of Reference, Standard Operating Procedures, membership and standard forms are available from <http://www.kemh.health.wa.gov.au/development/resources/ethics.htm>

Yours sincerely

Dr Mark Salmon
