**Re: Application for ethical review of research proposal**

Project Title: Constraint-induced therapy for people with stroke in sub-acute stage

Thank you very much for your application for ethical review of the above research proposal. I am pleased to inform you that the proposal has been reviewed and approved by the Departmental Research Committee, Department of Rehabilitation Sciences, The Hong Kong Polytechnic University. The validity of this ethics approval ceases upon the completion of the proposed project.

Please kindly inform me should there be any subsequent changes in your protocol.

Prof Gabriel Ng  
Chairman  
Departmental Research Committee  
Department of Rehabilitation Sciences
