# PARTICIPANTS WANTED FOR A STUDY ON PARKINSON'S DISEASE AND DIFFICULTY SWALLOWING

**Do you have Parkinson's  
Disease?**

**Are you experiencing difficulty  
eating, drinking or swallowing?**

**We are conducting an ethics  
approved study looking at two  
therapies used for treating  
difficulties in swallowing caused  
by Parkinson's Disease.**

**The aim is to determine if these  
therapies are effective in  
reducing problems swallowing.**

**For more information, or if you are interested in taking part in this  
study, please contact:**

**Marinda Brooks (Speech Pathologist):**

**Mon – Thurs: (03) 8405 8599 or [marinda.brooks@nh.org.au](mailto:marinda.brooks@nh.org.au)**
