

5 December 2017

Dr Genevieve DINGLE  
Room 329 School of Psychology  
The University of QLD  
St Lucia QLD 4072

Dear Dr Dingle

**Re: Ref N<sup>o</sup>: HREC/17/MHS/107 A controlled evaluation of an "arts in health" program designed to enhance psychosocial health in Mater Young Adults Health Centre patients**

Thank you for submitting the above research project for single ethical review. This project was considered by the Mater Misericordiae Ltd Human Research Ethics Committee (MML HREC) (EC00332) at its meeting held on 17.10.17.

I am pleased to advise you that the above research project meets the requirements of the *National Statement on Ethical Conduct in Human Research (2007)* and ethical approval for this research project has been granted by the Mater Misericordiae Ltd Human Research Ethics Committee.

The nominated participating site for this project is:

- Mater Misericordiae Ltd

**This letter constitutes ethical approval only. Please liaise with your Research Governance office in regard to any additional requirements. At Mater Misericordiae Ltd please contact the Research Governance Office on 07 3163 3769.**

The approved documents include:

Document	Version	Date
Covering Letter		26 September 2017
Application: Online Forms HREA Submission Code AU/1/D111312	Version 1.3 (2017)	26 September 2017
Protocol	v2	21 November 2017
Participant Information Sheet/Consent Form - Parent/Guardian		26 September 2017
Participant Information Sheet/Consent Form		16 November 2017
Response to Request for Further Information		21 November 2017
Questionnaire	<i>received</i>	26 September 2017
Investigator CV: Joel Larwood	<i>received</i>	26 September 2017

*This HREC is constituted and operates in accordance with the National Health and Medical Research Council's (NHMRC) National Statement on Ethical Conduct in Human Research (2007), updated in 2015. The processes used by this HREC to review multi-centre research proposals have been certified by the National Health and Medical Research Council.*

Approval of this project by the MML HREC is valid from **30.11.17** to **30.11.20**, subject to the following conditions being met:

- The Principal Investigator will immediately report anything that might warrant review of ethical approval of the project.
- The Principal Investigator will notify the MML HREC of any event that requires a modification to the protocol or other project documents and submit any required amendments. These instructions can be found at: <http://www.materresearch.org.au/about-us/human-research-ethics-and-governance/mater-hrec-application-requirements>.
- The Principal Investigator will submit any necessary reports related to the safety of research participants.
- In accordance with *Section 3.3.22(b)* of the National Statement the Principal Investigator will report to the MML HREC annually, the first report is to be submitted by **30.11.18**. Template may be downloaded at: <http://www.mater.org.au/Home/Research/Human-Research-Ethics-Committee/HREC-and-RGO-Resources>
- The Principal Investigator will notify the MML HREC if the project is discontinued before the expected completion date, with reasons provided.
- The Principal Investigator will notify the MML HREC of any plan to extend the duration of the project past the approval period listed above and will submit any associated required documentation.
- A copy of this ethical approval letter together with completed Site Specific Assessment (SSA) and any other requirements must be submitted by all site Principal Investigators to the Research Governance Office at each participating institution in a timely manner to enable the institution to authorise the commencement of the project at its site/s.

Please confirm the commencement date with the Research Ethics Office.

Should you have any queries about the MML HREC's consideration of your project, please contact the HREC Coordinator on (07) 3163 1585. The MML HREC Terms of Reference, membership and standard forms are available at <http://www.materresearch.org.au/about-us/human-research-ethics-and-governance/human-research-ethics>.

The MML HREC wishes you every success in your research.

Yours sincerely

Dr Conor Brophy MBBS; MD; MBioethics; FRCP; AFRACMA
