School of Psychology

Dear Dr Dingle,

Clearance Number: 2017002023

Project Title: "(HREC/17/MHS/107) A controlled evaluation of an "arts in health" program designed to enhance psychosocial health in Mater Young Adults Health Centre patients"

Following administrative review of the human research ethics approval from Mater Research Human Research Ethics Committee, I am pleased to advise that, as the University of Queensland's authorised delegate for the University of Queensland's Human Research Ethics Committees A & B, approval is granted for this project.

Approval has been based on the already approved documents in Mater Research HREC Approval Letter dated 05/12/2017.

This project has been approved to 30th November 2020.

We would like to take this opportunity to remind you that, should any modifications be made to this project, they will need to be approved by the lead human research ethics committee prior to being forwarded to the University of Queensland's Human Research Ethics Office for administrative review and approval.

Furthermore, conditions of the University of Queensland HREC Approval, require the researcher to provide an annual report and a final report on completion of the study (copy of lead HREC report will suffice). On commencement of this research, the researcher provides an undertaking to notify the University of Queensland's Human Research Ethics Office of all complaints or adverse events that may arise from this research.

Please keep a copy of this document for your records.

Kind regards,

Chris Rose'Meyer
Governance Officer
