

16 April 2018

Prof K.L. Bennell  
Physiotherapy  
The University of Melbourne

Dear Prof Bennell

Project title: **My Knee Exercise: Electronic and digital resources supporting self-management for people with persistent knee pain: A pragmatic randomised controlled trial**  
Researchers: **Prof K L Bennell, Prof R S Hinman, R Nelligan**  
Ethics ID: **1851085**

I am pleased to advise that the amendment to this Project 1851085.2, dated 20/03/2018, has been approved by the Psychology Health and Applied Sciences Human Ethics Sub-Committee.

Please note it is your responsibility to ensure that all people associated with the Project are made aware of the amendment.

Yours sincerely

Mr Tony Callahan  
Secretary, Psychology Health and Applied Sciences HESC
