

**ARMED FORCED INSTITUTE OF CARDIOLOGY AND
NATIONAL INSTITUTE OF HEART DISEASES
RAWALPINDI**

16th May , 2018

TO WHOM IT MAY CONCERN

AFIC-NIHD is the country's leading tertiary care cardiac center accredited by RCSEP for cardiac surgery training. Armed Forces Institute of Cardiology and National Institute of Heart Diseases (AFIC-NIHD) has a proud heritage of serving the country for more than 35 years.

The research proposal "**Mobile health augmented Cardiac rehabilitation (MCard) in post-acute coronary syndrome patients**" submitted by **Dr Aliya Hisam** has been approved and he/she is directed to visit the concerned department to collect the current, appropriate and relevant data for his research proposal as per AFIC-IERB-SOP-15. This approval letter is valid for subject protocol as submitted by researcher through AFIC-NIHD IERB checklist. Any subsequent changes must be notified to the chairman and renewed approval obtained before proceeding.

Kind Regards,

**(Brig. Tariq Hussain Khattak)
Chairman IERB**
