Date of Decision Notification: 03 Jul 2019

Dear Lindsey Brett,

Thank you for submitting the following Human Research Ethics Application (HREA) for HREC review;

**2019/ETH11769:** A falls, balance and bone health clinic: analysis of patient characteristics and outcomes

This project was considered by the **South Eastern Sydney Local Health District HREC LNR Committee** at its meeting held on **02/07/2019** and was determined to meet the requirements of the National Statement on Ethical Conduct in Human Research (2007).

This project has been Approved to be conducted at the following sites:

- Prince of Wales Hospital

The following documentation was reviewed and is included in this approval:

- Data extraction form
- Falls clinic study\_Protocol Version 1 dated 20 June 2019
- Follow-up questionnaire
- HREA
- Participant Information and Consent Form Version 1 dated 14 June 2019
- ProjectRegistration

[Application Documents](#) - (Please note : Due to security reasons, this link will only be active for 14 days.)

The Human Research Ethics Application reviewed by the HREC was:

Version: 1

Date: 20 Jun 2019

It is noted that the South Eastern Sydney Local Health District HREC is constituted in accordance with the National Statement on Human Conduct in Research, 2007 (NHMRC). The approval is for a period of **5 years from the date of this e-mail (03 Jul 2019)**, on condition of the submission of Annual Reports.

We wish you all the best with the project and remind you that any changes to the application and safety reports will need to be submitted and reviewed by the approving HREC prior to implementation.

**This email constitutes ethical and scientific approval only.**

This project cannot proceed at any site until separate research governance authorisation has been obtained from the Institution under whose auspices the research will be conducted at that site.

This HREC is constituted and operates in accordance with the National Statement on Ethical Conduct in Human Research (2007). The processes used by this HREC to review multi-centre research proposals have been certified by the National Health and Medical Research Council.

Please contact us if you would like to discuss any aspects of this process further, as per the contact details below. We look forward to managing this application with you throughout the project lifecycle.

Regards,

**Roberta Gbuye**

Administration Support Officer | **Research Support Office**
