Date of Decision Notification: 11 Jun 2020

Dear Gail Matthews,

Thank you for submitting the following **Low risk review pathway** Human Research Ethics Application (HREA) for HREC review;

2020/ETH01429: "ADAPT-C" Sub-Study: Community-based cohort of people tested for COVID-19

This project was considered by the **St Vincent's Hospital Human Research Ethics Committee** at its meeting held on 10 June 2020 and was determined to meet the requirements of the National Statement on Ethical Conduct in Human Research (2007).

This project has been Approved to be conducted at the following sites:

- St Vincent's Hospital Sydney

The following documentation was reviewed and is included in this approval:

- Protocol Version 1 Dated 29 May 2020
- St Vincent's Main Participant Information Sheet and Consent Form Version 1 dated 29 May 2020

[Application Documents](#) - (Please note : Due to security reasons, this link will only be active for 14 days.)

The Human Research Ethics Application reviewed by the HREC was:

Version: 1.00

Date: 05 Jun 2020

It is noted that the St Vincent's Hospital Human Research Ethics Committee is constituted in accordance with the National Statement on Human Conduct in Research, 2007 (NHMRC). The approval is for a period of **5 years from the date of this e-mail (11 Jun 2020)** , on condition of the submission of Annual Reports.

We wish you all the best with the project and remind you that any changes to the application and safety reports will need to be submitted and reviewed by the approving HREC prior to implementation.

This email constitutes ethical and scientific approval only.

This project cannot proceed at any site until separate research governance authorisation has been obtained from the Institution under whose auspices the research will be conducted at that site.

This HREC is constituted and operates in accordance with the National Statement on Ethical Conduct in Human Research (2007). The processes used by this HREC to review multi-centre research proposals have been certified by the National Health and Medical Research Council.

Please contact us if you would like to discuss any aspects of this process further, as per the contact details below. We look forward to managing this application with you throughout the project lifecycle.

Regards,

Dr. Pamela Blaikie | Research Office Manager | St. Vincent's Health Network
Translational Research Centre | 97-105 Boundary Street Darlinghurst NSW 2010
