Date of Decision Notification: **11 Aug 2021**

Dear Tamblyn Devoy,

Thank you for submitting an Amendment for the following study;
2020/ETH03194: Effect of sugammadex on the serum plasma levels of circulating oestrogens and progesterones in healthy females who take hormone contraception in the perioperative setting

The Amendment has been reviewed by the Joint University of Wollongong and Illawarra Shoalhaven Local Health District Health and Medical Human Research Ethics Committee at its meeting held on 10/08/2021 who have determined the Amendment has been approved.

Amendment type: General Amendment with form ID 64613

- Change to control group. Plan 2:1 control:intervention group

The following documentation is included in this approval:

- Research Protocol_Tracked changes-5-03-AUG-2021
- Participant Information Sheet_Tracked changes-3-03-AUG-2021

It is noted that the Joint University of Wollongong and Illawarra Shoalhaven Local Health District Health and Medical Human Research Ethics Committee is constituted in accordance with the National Statement on Ethical Conduct in Human Research, 2007 (NHMRC).

This email constitutes ethical and scientific approval only.

For NSW authorised sites (listed in REGIS): A Site General Amendment form will need to be submitted to each affected site. You are not required to upload this form or the ethics approved documents into the site form but you will need to identify this approved amendment form ID (64613).

Please contact rso-ethics@uow.edu.au if you would like to discuss any aspects of this process further.

Yours Sincerely,

Susan Thomas

Dr Susan Thomas,

Chair, UOW & ISLHD Health and Medical Human Research Ethics Committee

The University of Wollongong and Illawarra and Shoalhaven Local Health District Health and Medical HREC is constituted and functions in accordance with the NHMRC National Statement on Ethical Conduct in Human Research. The processes used by this HREC to review multi-centre research proposals have been certified by the National Health and Medical Research Council.
