

12 January 2021

Dr Paul Porter

Sent via email: Paul.Porter@curtin.edu.au

Dear Dr Porter,

HREC Reference number: 1501

Project title: Diagnosis of respiratory illness using non-contact sound recordings (Breathe Easy Study)

The amendment to this project dated 13 November 2020 was approved by the Ramsay Health Care WA|SA HREC at its meeting held on 7 December 2020.

The documents listed below are approved:

| Document | Version | Date |
|-------------------|---------|----------|
| Cover Letter | - | 13/11/20 |
| Study Protocol | 6.1 | 13/11/20 |
| PICF – Mask Study | 1.0 | 13/11/20 |

You must forward a copy of this letter to all Principal Investigators and to your institution.

Should you wish to discuss this matter, please contact Joanna Brisbane, Executive Officer, Ramsay WA|SA HREC on (08) 9400-9897 or RamsayHREC.WA-SA@ramsayhealth.com.au.

This HREC is constituted and operates in accordance with the National Health and Medical Research Council's (NHMRC) *National Statement on Ethical Conduct in Human Research (2007)*. Updated 2018

The Ramsay Health Care WA|SA HREC wishes you every continued success in your research.

Yours sincerely

Dr Amanda Ling
