Dear Prof Smith,

NIIM HREC Reference number: 0118E_2022

Project title: *Bio-availability of nasal Capsaicin*

Thank you for submitting the above research project for single ethical review. This project was considered by the National Institute of Integrative Medicine Human Research Ethics Committee EC00436 (NIIM HREC) at its meeting held on 29 November 2022.

I am pleased to advise you that the above research project meets the requirements of the *National Statement on Ethical Conduct in Human Research (2007)* and ethical approval for this research project has been granted by NIIM HREC (EC00436).

The nominated participating site/s in this project is/are:

Pacific Private Hospital
123 Nerang Street
Southport QLD 4215

[Note: If additional sites are engaged prior to the commencement of, or during the research project, the Coordinating Principal Investigator is required to notify NIIM HREC (EC00436). Notification of withdrawn sites should also be provided to the NIIM HREC (EC00436) in a timely fashion.

The approved documents include:

Document	Version	Date
HREC Application Form	V3.0	20/12/2022
Caps Information Sheet	V1.0	14/11/2022
PS Statement	V1.0	14/11/2022
SmithP_57238_Certificate of Insurance	V1.0	14/11/2022
CAPSVangerven2014	V1.0	14/11/2022
CAPSVangerven2017	V1.0	14/11/2022
CAPSVanrijswijk2003	V1.0	14/11/2022
Capsacin Protocol	V1.0	12/12/2022

Approval of this project from NIIM HREC (EC00436) is valid from 20 December 2022 to 19 December 2025, subject to the following conditions being met:

- The Coordinating Principal Investigator will immediately report anything that might warrant review of ethical approval of the project.
- The Coordinating Principal Investigator will notify the NIIM HREC (EC00436) of any event that requires a modification to the protocol or other project documents and submit any required amendments in accordance with the instructions provided by the HREC.
- The Coordinating Principal Investigator will submit any necessary reports related to the safety of research participants in accordance with NIIM HREC EC00436) policy and procedures.
- The Coordinating Principal Investigator will report to the NIIM HREC (EC00436) annually in the specified format and notify the NIIM HREC (EC00436) when the project is completed at all sites.
- The Coordinating Principal Investigator will notify the NIIM HREC (EC00436) if the project is discontinued at a participating site before the expected completion date, with reasons provided.
- The Coordinating Principal Investigator will notify the NIIM HREC (EC00436) of any plan to extend the duration of the project past the approval period listed above and will submit any associated required documentation.
- The Coordinating Principal Investigator will notify the NIIM HREC (EC00436) of his or her inability to continue as Coordinating Principal Investigator including the name of and contact information for a replacement.
- The changes to documentation as set out below are made.

A copy of this ethical approval letter must be submitted by all site Principal Investigators at each participating institution in a timely manner to enable the institution to authorise the commencement of the project at its site/s.

This letter constitutes ethical approval only. This project cannot proceed at any site until separate research governance authorisation has been obtained from the CEO or Delegate of the institution under whose auspices the research will be conducted at that site.

Should you have any queries about the NIIM HREC's (EC00436) consideration of your project please contact the HREC Secretary. NIIM HREC (EC00436) Terms of Reference, Standard Operating Procedures, membership and standard forms are available from the NIIM HREC Secretary at hrec@niim.com.au.

The NIIM HREC (EC00436) wishes you every success in your research.

Yours faithfully,

Dr Michael Tomlinson
Chair
National Institute of Integrative Medicine Human Research Ethics Committee (EC00436)
